SCHEDULE

Day 1

Elementary Math
MS Reading/Writing

Day 2

Elem Reading/Writing

THE NEW READING TEKS SIMPLIFIED

Are you ready to implement the new Reading TEKS? Do you know how TEA expects you to assess the new TEKS for your students? Join our expert with more than 30 years of experience, Gayle Fuller, as we compare the new and old TEKS. Teachers, instructional coaches, and administrators will analyze and compare new TEKS and old TEKS to address gaps or areas that need focus, define curriculum and instructional needs for the coming school year, and take an in-depth look at the terms that help guide best teaching practices that are used throughout the TEKS.

Presented by: Gayle Fuller

ELEMENTARY MATH

Are you ready to help develop students who are fluent in mathematical processes? Join us as we address the myths and facts surrounding Math Fluency! Math Fluency is much more than the memorization of math facts and equations. Procedural fluency in mathematics is essential to a student's ability to apply math concepts accurately and efficiently. Let our experts show you how the TEKS are structured vertically and horizontally to develop a conceptual understanding of addition, subtraction, multiplication, and division.

Presented by: Kris Fuller

Registration

Each workshop day is limited to 100 participants per subject. Register early to guarantee a spot! You must pre-register for the workshop with a purchase order or other form of payment (We cannot accept your registration without a form of payment or purchase order.)

Three ways to register

- ★ At StepUpTEKS.com select "Workshop"
- ★ Toll free phone line at 866-425-4155
- ★ Fill out the Order Form (on the back of this flyer) and fax to 903-569-0742.

48 Hour Cancellation Policy: You may cancel your reservation for a full refund. GF Educators, Inc. must be notified, in writing, at least 48 hours prior to the day of the workshop. Failure to do so will result in being charged the full amount for each attendee spot reserved (If you fax your cancellation request, call our toll free phone line to verify we received it). This policy is necessary due to the interest in the workshops and a desire to accommodate as many attendees as possible.
